Hotel Ariotto Village

Category: Hotels and tourist residences
business description: Ariotto Village is a hotel village nestled in the Monferrato hills, where nature, comfort, and authenticity coexist in perfect harmony. The property is laid out like a small hamlet: rooms, apartments, and independent cottages are distributed across multiple buildings, offering a variety of options for couples, families, and business travelers seeking tranquility and privacy.
Family management is the heart of the Ariotto experience: a warm welcome that makes every guest feel at home from the moment they arrive. Surrounding the property, the green hills and a slow pace invite guests to breathe in and enjoy the local atmosphere, amidst vineyards, historic villages, and exquisite food and wine.
Completing your stay is a range of services designed to make every stay pleasant and versatile: an on-site restaurant, two panoramic pools overlooking the hills, e-bike rentals for sustainable exploration of the surrounding area, an electric car charging station, and a meeting room ideal for business meetings and small corporate events.
Easily accessible from Milan, Turin, and Genoa, Ariotto Village is the ideal choice for those seeking a regenerating break in nature without sacrificing comfort, or for those seeking a peaceful and functional location for business trips. An authentic place, where Monferrato truly comes to life, with simplicity, professionalism, and warmth.
